As remote from any *X Factor*-style format as your imagination allows, **FOCSLE MUSIC**'s regulars assure you a sympathetic and attentive listen. We value the hidden talent of shy débutant(e)s. So don't be coy: come along and do your stuff (we may join in where it sounds right — our harmony-singing is renowned).

While we ask no entry fee\*, our raffle helps finance future guests.

At certain alternative venues, there's likely to be a door charge.

Some listed dates may morph into Guest-nights. Any of them are open to change due to football TV rescheduling: always check.

Weds. Saints home matches usually enforce on us a change of venue. Our website

[www.focsle.org](http://www.focsle.org) has the latest, incl. details of other venues; wherever we meet, we aim to confirm that each one is running, with a post on the homepage by **12noon on the day**. Need more info? e-mail [paul@focsle.org](mailto:paul@focsle.org), or text [only] **073 8040 1951**

\* at *The Guide Dog*, a **civilized, intimate Real Ale haven** only a mile or so from the city centre. You'll find us in the back room, "The Doghouse" [geddit???]: via its own access, off Ancasta Rd, you could (if so minded) listen in before showing yourself!
